

# Senior Cats for Seniors

Vet-Pet Rescue will waive the adoption fee for Senior Cats (7 years or older) who are adopted by Seniors (62 years or older).

All cats are up-to-date on vaccinations, spayed/neutered, felv/fiv tested, and treated for parasites if needed. Future annual exams and vaccinations will be provided free of charge by Clarkson-Wilson Veterinary Clinic in Chesterfield.

If you are interested in a feline friend, contact

Carol at 636-227-3723 or  
Cassandra at 636-352-7194
